FAQs

How long does the Psychic Love Report take?

Once our psychics have received your order, it will take 24-48 hours to produce your report depending on demand. During peak periods, it may take up to 72 hours to complete a report. We will keep you updated on the status of your order.

What information do I need to provide for the Psychic Love Report?

We will need your name, birthday, and location to generate your star sign and birth chart. Although our psychics can give "blind readings," your report will contain more powerful insights if they can study your astrological birth chart first.

Who will conduct my Psychic Love Report?

All five of our in-house psychics will be consulted for your report. Each psychic will add their own personal touches and individual expertise to provide you with a uniquely personal report.

What will I learn from my Psychic Love Report?

Each report is personalized to your unique needs and circumstances. You can expect to receive deep and personal insights about your love life, including how to attract love into your life, details about your soulmate, what is holding you back from the life of love you desire, and the steps you need to take to be happier and more content in love. The report covers all aspects of how astrology and universal energy impact your love life, giving you the insights and knowledge you need to overcome negative energy blocks and find abundant love.

What if I'm not satisfied with my Psychic Love Report?

We strive for customer satisfaction and spend many hours producing reports that are jam-packed with powerful insights. However, if you are unhappy with your report, we will refund your money or produce a new report for you, whichever you choose. Your satisfaction is our top priority.
